**Major activities affecting case closing:**

STATUS AS OF 10/28/2025

All assets, except those itemized above, have been fully administered.

In connection with the pending *Motion of Allegretti & Company for Relief from Order Approving Trustee's Sale of Real Property Entered April 5, 2019 [Doc 428]* [Docket No. 660], two parties have asserted interests relating to the parking spaces, however, to date, neither party has made an offer to purchase the spaces. This asset will be abandoned upon closure of the estate.

The insurance policy is a key man insurance policy in the face amount of \$9 million on the life of Philip J. Layfield, the Debtor's former principal, who is currently serving a sentence in a federal correctional facility. According to the experts in the life settlement market with whom the Trustee's professionals consulted, because of the insured's age (below 65) and lack of apparent chronic health conditions, the insurance policy has no current material value in the marketplace. This asset will be abandoned upon closure of the estate.

Claims: The Trustee has not undertaken a review of claims because the estate is administratively insolvent.
